

Gateways to Careers

Sample Follow-Up Questions

STUDENT'S NAME: _____

Before you actually apply for a job, you should conduct an "informational interview" with several employers. This process can help you make a better career decision and prepare you for future interviews. GATEWAYS TO CAREERS provides a good opportunity to practice an "informational interview". With so many employers in one place, it is easy to learn about a wide range of careers. Try to meet a variety of employers, especially those you have never heard of before. You can ask the following questions, or make up some of your own

SAMPLE FOLLOW-UP QUESTIONS:

What is the name of your company and where are you located?

What does your company do? What services do you provide?

How many people does your company employ?

What career pathways are available at your company?

How did you select your career?

What do you like best about your job?

What do you like least?

What advice can you give to a new person in this occupation?
